ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

The creditors of the defunct Farmers National Bank of Vergennes have recently received a 10 per cent dividend on their claims. This makes 70 per cent that has been paid on the indebtedness of the bank.

The annual business and ceremonial session of Cairo Temple, Ancient Arabic order, Nobles of the Mystic Shrine, will be held in Rutland, Thursday evening, December 29. The meeting will take place in the opera house at 7:30 o'clock.

A party of about fifteen hunters from Readsboro, Whitingham, Wilmington, and surrounding towns, has been on the trail of a large bear the past week. The last seen of the bear was apparently making for the recesses of the Glastenbury track. The hunt has been practically given up.

Charles T. Holmes of Charlotte is about contracting with parties in Massachusetts for manufacturing a trimming saw that he has invented and will soon put on the market. The operator does his work from the ground and the saw cuts by a pulling instead of a pushing motion.

One of the most ingenious contrivances ever seen in Middlebury is a trio of little misses shown in the Marshall store window. The automata respectively dance, play a piano, and rock in a chair, all being the work of William Jackson of Middlebury. The figures are constructed from common store dolls and the power is from a miniature engine, also of Mr. Jackson's construction.

The University of Vermont catalogue for the current year was issued Tuesday and makes a book of 168 pages. It is of especial interest to present and former students because of the number of full-page pictures of the principal college buildings. Then follow a brief history of the institution, register of faculty and students, there being 348 in the academical department and 193 in the medical department.

Only one member of the Vermont delegation in Congress plans to remain in Washington for the holiday recess. Representative Haskins, with Mrs. Haskins, will spend the time in this city. Senator Proctor is going West for a part of the time and will visit Oklahoma and Indian territory. Representative D. J. Foster will return to Burlington to spend the recess with his family and Senator W. F. Dillingham will go to Montpelier.

A wedding of interest although quiet was that of Representative Charles H. Stevens and Miss Virene M. Packard, of Winoski, which was celebrated at the home of the bride's father, Frank H. Packard, Sr., on Main street Tuesday evening. The ceremony was performed in the parlors, which were tastefully decorated with holly and evergreens, and in the presence of only the members of the immediate family. The Rev. Edward Hungerford was the officiating clergyman.

Wisconsin papers contain news of the murder in New Auburn of D. A. Doyle. Mr. Doyle was born in Jericho 60 years ago and lived in Burlington for a short time when a boy. He served in the Civil War and for the past 18 years had been a successful merchant and real estate dealer in New Auburn. He was shot from behind while he was milking a cow, the bullet entering behind the left ear and passing through the right collar bone. No motive for the murder is known. It is not believed that robbery was the object as money was found in his pocket where he lived alone. It is supposed that the deed was committed by some one who had a grievance against him. Mr. Doyle was a bachelor and is survived by one sister, Mrs. Peter Stacy of Burlington.

Used to Kissing.

They were in a magnificently decorated room in the west end of London. They approached each other from opposite directions. One of them was as pale as a ghost, the other blushing red as a cherry. Presently they met, and, careless of the fact that dozens of eyes were watching them, they kissed each other. The meeting seemed to bring them perfect peace, but, alas, alack! They had scarcely been side by side about twenty seconds when a man approached with the fire of battle in his eye. With cool insolence he raised the stick he carried, and then—oh, horror!—he struck a sharp, quick blow and the pale one was sent spinning several feet away. The other neither screamed nor fainted. There was no heart breaking, no resentment, not even a murmur. Billiard balls are used to that sort of thing—Birmingham, Eng., Post.

Afghan Hospitality.

An Afghan is bound by custom to grant a stranger who crosses his threshold and claims protection any favor he may ask, even at the risk of his own life. Yet, apart from this, he is cruel and revengeful, never forgiving a wrong and retaliating at the first opportunity.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mansell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 8, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 70 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide was on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

We want all the bones we can get. Can use heads, hoofs, horns—anything in the line of bones—if only dry. We will pay 60c per hundred pounds for thoroughly dry bones—we can pay even more if strictly clean, hard, fresh, dry, boiled butchers' bones—and pay freights from your station if shipped in lots of 200 pounds or more. May be shipped in barrels or cheap sacks.
